PAL Membership Registration Fee Letter

January 2016

Dear PAL Parents, Guardians, Prospective Members and Supporters:

The year of 2015 continued as a year of advancement and production for our organization. There continues to be a concerted effort to bring about an enhanced level of accountability, structure, program development, community involvement, educational enrichment, fiscal responsibility, organizational awareness, community service and organizational management to PAL.

In recognizing how the economy continues to have an effect on many a great number of the communities' that we seek to serve, we have decided for the 6th year, not to increase the annual PAL membership fee for the 2016 programmatic year, as it will remain at \$50.00 per youth.

Additionally, the PAL organization did not increase any 2016 program registration fees. Please find below the 2016 programmatic registration fee outline.
